

Storage and Rotation Review

Household: _____ Date: _____ Prepared by: _____

Purpose and instructions. Inspect packaging and storage conditions. Use older suitable stock first (FIFO), but never rely on date alone for food safety. Check for moisture, pests, damaged seals and heat exposure.

Inventory / Planning Records

Food item	Stored date	Best-before	Condition	Location	Action / review date

Preparedness Gaps and Actions Required

Which items need prompt rotation, safer storage or disposal? Do not taste suspect food.

1. _____
2. _____
3. _____

What you should learn: A prioritized rotation and storage-correction plan.
